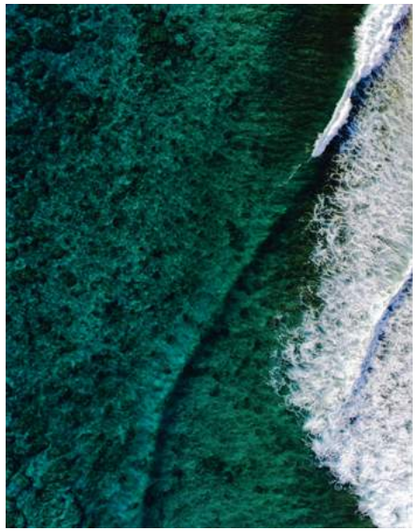
Founded in 1977, we are standout designers and manufacturers of the very finest decorative lighting.

We combine a passion for the exceptional with creativity and craft to produce timeless lighting with a contemporary elegance. Featuring ceramic and alabaster, unique reactive glazes and glass, plus metalwork with exquisite finishes, our designs take inspiration from a wide range of eclectic influences.

From luxury apartments to inspirational and prestigious properties, many of Heathfield's light fittings are featured in the finest interiors around the world. Our outstanding expertise in design and manufacturing allows us to work in close consultation with clients to create fully bespoke lighting, which reflect the desired aesthetic and are crafted to perfection.

Our products are created to impeccable standards by a highly skilled team of artisans and production specialists, some of whom have worked for us for almost half a century. The dedicated skills of the Heathfield team, including glassblowers, woodworkers, ceramicists and metal workers ensure each piece is individually crafted with care; beautiful to the end.

AN INTRODUCTION



SAVANNA

A COLLECTION BY HEATHFIELD & CO

Inspired to evoke a sense of freshness and purity, Savanna connects the feeling of the Earth and nature's grounding elements.

Combining the richness of natural materials and the tranquillity that beautiful lighting creates, you will find carefully curated table lamps, wall lights and ceiling pendants embracing the harmony of nature at the very heart of this collection.

SAVANNA

RHEA
PENDANTS

A soft sphere of beautifully formed alabaster stone in milky-white, marked by its own distinctive swirling bands.

No two pieces are ever the same and subtle light accentuates the natural beauty of its cloudy detail.

Available in medium or large, with antique brass casting and chocolate flex adding a luxurious touch.

PHOEBE
TABLE LAMP

The graceful Phoebe table lamp is minimalist in stature yet full in elegance.

The natural and luminous alabaster stone has been crafted into a contemporary shape with fine brass detailing.

A gold leaf band runs through the centre, highlighting the clean form and organic finish.

EDEN
TABLE LAMP

Inspired by nature itself, the Eden table lamp combines the dark hues of moss and a lichen textured surface.

Complete with antique brass detailing and a natural linen shade, the Eden is the very essence of Earth’s formation, captured in a unique and organic form.

TERRA
TABLE LAMP

With its name meaning ‘all forms of Earth’, the Terra table lamp is a truly organic formation in white ceramic.

Each textured surface is individually hand finished, ensuring every piece is completely unique.

SAVANNA

ALOE TABLE LAMP

Taking inspiration from the thick tapering leaves of succulent plants, the Aloe table lamp offers a soft oval form with scuta patterning.

Presented in a deep and vivid hue of emerald green, a classic and harmonious symbol of prosperity and calm.

AGAVE
TABLE LAMP

Creating a statement in any interior, the Agave table lamp offers the richest verdant green captured in a tall and sleek ceramic.

Paired with a beautiful Dandelion satin lampshade, the enticing richness of the ceramic glaze allows for natural variations in colour, allowing each products individuality to stand true.

SAVANNA

RIPPLE
TABLE LAMP

Showcasing a beautiful oscillating ripple detail, the crisp white ceramic glaze finishes this table lamp perfectly.

Satin brass metal work sits alongside a linen lampshade and pearl flex to further complement this subtle palette.

SAVANNA

RISCO
TABLE LAMP

The Risco table lamp features hand-blown waterfall effect glass, available in three neutral colour variations – Olive, Smoke and Clear.

Each stunning glass is paired with satin brass metalwork and a complementary glaze linen lampshade.

ADORA
TABLE LAMP

As the newest addition to the Antero family, we introduce the beautifully sculpted Adora. Featuring an extended concave mid-section and exquisite volcanic frit detailing, each piece has its own unique individuality.

Available in three colour options, each piece is complemented with antique brass metalwork, and a luxurious satin lampshade.

HEIDI
WALL LIGHT

Presented to complement the fine metalwork found throughout the Savanna collection, the Heidi wall light is finished in antique brass and exquisite reeded glass.

With a fluted scalloped edge in earthy tones of Slate or Amber, the glass shades softly filter the light, casting perfect reflections of their elegant form.

GISELLE CHANDELIER

Elegant and luxurious with its labradorite jewel-like appearance, nothing commands a room like our striking Giselle chandelier.

With glass options in Slate or Amber, the Giselle is gracefully sculpted from architectural antique brass. Each iridescent glass shade has its own individuality, depicted with a smooth scalloped edge that beautifully refracts the light.

Unique design and detailing remain central to our creative ethos and we welcome designers to specify their own choice of shade fabrics or linings.

We offer a wide range of lampshade fabrics and lining options, alongside a variety of flex options, providing you with the scope to customise many of our products, aligned to your own creative vision.

Our lampshades are available in a comprehensive range of shapes and sizes and an enticing selection of fabrics.

Ranging from translucent, sheer fabrics to opulent brushed velvets and linens intertwined with bands of exquisite metallic detailing. Options include dupion silks, versatile linens and cottons, opulent satins and lustrous velvets, offering a cohesive palette of both neutral tones and vibrant hues.

You are also welcome to supply your own fabric, perfectly aligned to your design scheme, allowing true flexibility in the finished product.
