ESSENTIAL COLOURS

ESSENTIAL COLOURS

'Essential Colours' is an extensive collection of **beautiful textured fabrics** presented in a series of easy to use, distinctive colour palettes: **Natural, Stone, Aqua, Indigo, Peacock and Spice**. Stylish, contemporary and extremely versatile, designs range from sumptuous chenilles, herringbones, small scale geometrics to semi plain jacquard stripes.

The **huge array of colours** range from sophisticated and elegant neutrals to rich reds, bright peacock and deep saturated indigo.

'Essential Colours' has been created to **harmonise with all GP & J Baker collections**, yet each one will work perfectly in its own right. This comprehensive portfolio will provide a valuable resource for all decorating solutions.
