Fixed and Booth Seating

Soft Furnishings

Our curtain division provides a full project management, manufacturing and installation service for all your soft furnishing needs. We can supply and manufacture anything from curtains, blinds and hardware to cushions, bed throws, pelmets and anything in between.

We pride ourselves on providing a top class service, consistently delivering projects on time and within budget.

We can offer advice on suitable treatments and fabrics and provide a bespoke manufacturing service so that all items are tailor made to your requirements. Our team of project managers will oversee your project from conception to completion.

FAQ's

Jameson
CONTRACT FURNITURE
& SOFT FURNISHINGS

What is the lead time?

Typically around 4 weeks for our own manufactured product and 6-8 weeks for European imports. We can be flexible and work with you to find a solution within your required time frame.

Where do you manufacture?

All of our own product is manufactured at our factory in the West Midlands, we source other specified product from Europe.

Where can I see a catalogue?

Instead of offering a fixed catalogue of products that might limit your options, we prefer to work closely with you to deliver solutions tailored to your specific needs and preferences. We have the capability to manufacture in house or source exacting products directly from our partners in Europe.

Where can I see prices?

Please email sales@jamesonseating.co.uk or call 0121 622 6620 with any pricing requests, because there are so many variants to contract furniture based on finishes, fabrics, qtys etc then we will issue a quote unique to your project.

Do you deliver and install?

Yes on our soft furnishings side we offer a full installation and project management service and on our furniture side we have our own team of drivers and installers who can place your furniture exactly where you want it and remove all rubbish
