MUSLIN

Introducing 'Muslin' – our new wallcovering designed to bring calm, texture, and versatility into any interior scheme.
A clean, neat weave of classic muslin fabric, this design delivers a subtle fabric print and texture combination that adds depth without dominating the room.

Perfect for varied spaces, Muslin works beautifully across a wide palette—from soft neutrals to richer, more vibrant tones. It's ideal for creating a sense of calm and control in residential and commercial settings alike—whether you're styling a relaxed home environment or adding polish to a contemporary workspace.

Easy to coordinate, endlessly versatile, and quietly stylish, Muslin is all about timeless texture with a modern edge. It's the kind of wallcovering that makes any scheme feel considered—without trying too hard.

Muslin is where subtle design meets everyday practicality. Clean. Calm. Commercially clever.
