MIRRORWORKS

Spires Group brings together a fabulous collection of artworks and bespoke finished items, specially created for the business and leisure sector. We have the ability to create totally bespoke artworks often starting with a blank canvas approach so your art is tailored to an individual brief and not available anywhere else.

This can be made up of beautiful framed prints and matching mirrors, stretched canvas or contemporary acrylic, popular with many interior designers and specifiers. Add to this our range of special products such as glass and all manner of surface finishes and it would be true to say we have things covered on every level. We are also able to provide a bespoke signage service for any internal project, but with a strong focus on hotels and leisure companies to really make an interior space work for you.

All our creative services, state of the art print facility and finishing are all carried out on site, from concept right through to completion. This company overview covers just a small part of our creative and manufacturing services, which is broken down into 5 main product areas, artworks, glassworks, signworks, surfaceworks and mirrorworks.

We believe that these combined services and our strength in creativity and production experience, makes us one of the leaders in this commercial sector and we welcome the challenge to look at your bespoke project!

WORKING WITH YOU CLOSELY AS YOUR OWN ART CONSULTANTS

We will sit down with architects and interior designers and provide creative solutions from an initial consultation, so we know exactly what the objective of the brief is. Our knowledge of the art and production sector has provided us with invaluable experience over many years, which we are able to share with specifiers who bring their own specialist skills to the table.

The following pages represent the products and services offered by Spires Group and include a series of case study projects after each section which is a small glimpse into the work we have carried out for many clients. Please visit our website to see more case studies.

We are proud of our close working relationship with companies across numerous sectors and welcome the opportunity to discuss any new potential projects and feel confident that we can create the right solution for your bespoke project, so look forward to hearing from you.

EBRINGTON HOTEL

CASE STUDY

Opulence and history come together in this distinctive hotel situated in the heart of Derry~Londonderry. As a landmark building in the city since 1842, The Ebrington Hotel seamlessly blends contemporary luxury with Georgian elegance.

Spires Group crafted custom mirrors for the bedroom suites and public areas. Also designing original geometric and architectural illustration artwork for the guest bedrooms.

SPIRESGROUP

Working in collaboration with interior designers, our talented in-house design team at Spires Group got to work developing ideas and created original artwork whereby bringing the client's vision to life.

The geometric artwork and architectural illustrations make a statement and work brilliantly with the English colonialism theme explored throughout the Ebrington bedroom suites.

SHELBOURNE HOTEL

CASE STUDY

Built in 1824, The Shelbourne Hotel has stood the test of time as one of Ireland's most exquisite 5* luxury hotels. Proud of its role as a landmark in Irish literary, social and political, culinary and artistic development, we have worked with designers to maintain the integrity of the building and its history, with a beautiful, classic take on the past, while transitioning it to the present in a tasteful and sophisticated way.

SPIRESGROUP

We have provided a huge variety of artworks to fit both the classic and contemporary needs of this truly unique Irish property. From printing room number plaques for each door, to fine art for the renowned Princess Grace Suite we can take care of all your needs.

THE PARLOUR ROOM NYC

CASE STUDY

The highly acclaimed Parlour Room Bar and Grill is a classic American restaurant nestled in the heart of Midtown Manhattan. As guests step into this establishment they are transported to a world of stately and timeless decor. Working closely with our client we supplied artworks which elevate the space and capture the charm of a bygone era.

ON REFLECTION, WE HAVE A GREAT RANGE OF BESPOKE MIRRORS

MIRRORWORKS

What many people don't know is that on average for every 4 artworks supplied for an interior project, like a hotel or a furniture pack company for example, a mirror complements the package.

We have broken this down into 3 categories, from bespoke profiles and mouldings, to special mirror finishes and lighting.

BURGENSTOCK HOTEL & RESORTS

CASE STUDY

The 5* Burgenstock Hotel and resort is located in the breath taking beauty of Lake Lucerne in the Alpine region of Switzerland.
A historic place, we provided framed prints archiving and proudly displaying this history, whilst also providing contemporary artwork to complement the modern beauty of the hotel and the panoramic lake views.

SPIRESGROUP

Framed prints, box canvas and framed canvas artworks, showcasing the best of the past and present local area were supplied to complement the stunning interior and surrounding area, all designed and created by Spires Group. Regardless of the fact this project is based in Switzerland, we have a very flexible approach and are able to work on projects worldwide and even carry out a full installation, if required.

HYATT CENTRIC HOTEL

CASE STUDY

Nestled in the French Alps, at an altitude of 1850m, Hyatt Centric is a skier's paradise.

We provided bespoke digital wall art, framed prints, mirrors and canvas artworks, each specifically chosen and tailored to meet the needs of this particular client.

The finished result complemented the interior beautifully and the theme and colour combinations were carried throughout the hotel.

SPIRESGROUP

They say that for every 4 framed prints that are supplied to hotels, there is also a mirror, so it also becomes a very important part of an overall art package. The mirrors for The Hyatt Centric were carefully selected using classic profiles to complement the interiors perfectly and this goes for any room, whether it's a lounge, bar or restaurant, bedroom or meeting room to reflect the right look.

CROWN PLAZA HOTEL

CASE STUDY

One of the largest conference hotels in Ireland, the Crown Plaza is a meeting place for people from around the world. With a mix of business and pleasure, we worked closely with designers to reflect this balance with the artwork. From framed box art, canvas artworks, bespoke mobile hanging glass art, to the large scale bird's eye view backlit print of Dublin which is displayed in the hotel's meeting reception. There is a piece of art for all occasions in this hotel, to fit with the cosmopolitan vision of the hotel's purpose.

SPIRESGROUP

The wide format framed prints worked well on this project and complemented the interior rooms to give an illusion of space and width and the artworks chosen with graphic treatments have an ageless quality and a theme that is popular with all guests, whatever their taste. Mirrors were carefully chosen for all bathrooms using a modern circular profile that also complemented the interior well.

CREATING FABULOUS SIGNAGE FOR YOUR INTERIOR WALLSPACE

SIGNWORKS

With a strong background in graphic design and experience of working with many companies across numerous sectors, we bring a fresh approach with Signworks. The common scenario with signage is that it is often the last item to be installed in new offices or a refurbished hotel and yet it is one of the most visually important factors when you enter a building. From a corporate sign behind a reception area to well designed and thought out way-finding signs, it can create a great impression for any modern interior. Signworks brings a breadth of experience by creating stunning typography and fabulous imagery to make bespoke signage really stand out on any wall space, using modern acrylic substrates or vinyl signage. HAMPTON BY HILTON BELFAST

CASE STUDY

We like to build up a good working relationship with the likes of Hampton by Hilton as they get to know how we work and know what to expect from the finished result, which is why we were chosen to provide bespoke artworks and specially finished substrates for the Belfast location.

We get to know how the designers we work with think and like to be one step ahead when it comes to the creative work and share our knowledge with like minded professionals.

SPIRESGROUP

Working on a project like the Hampton by Hilton Belfast can be a fun process as the briefs are often creative and let our designers have a fair bit of artistic license which is always nice to be able to have that creative freedom and expression. It might be lively artworks on a wall or fun creative typography behind a bar area, but we always aim to carry out a consistent and quality design led job every time.

SOUTH WEST ACUTE HOSPITAL

CASE STUDY

We had the pleasure of being selected to work with the Western Trust to fit out the new South West Acute Hospital & Primary Care Complex County Tyrone. We provided artistic prints, mirrors, vinyl graphics and shapes for Glasswork and art instalments with the help of local artists, all to create beautiful surroundings and a relaxed environment.

Complying with the highest health and safety regulations, we at Spires Group take the utmost care with every project we complete.

OASIS CLASS CRUISE LINER

CASE STUDY

Spires Group have carried out a number of fit outs for cruise ship companies and have many years experience of knowing exactly what is required and fitted with the minimum of fuss and on schedule.
We know through past experience that most people say it's the same as working on a floating hotel, but our knowledge has proved that they are very different projects.
The Oasis Class cruise liner has a very sumptuous finish and quality finishes throughout.

SPIRESGROUP

Our experience of working with glass over many years has proved to be very valuable and having a full in house glass manufacturing process, including one of the biggest kilns in Europe sets us apart from many art companies who have to use specialist contractors for this type of work. Many of the fabulous glass creations on this cruise liner were created by our glass experts in our own premises.
