We are ILIV

At ILIV we design beautiful fabrics to the *highest technical specifications*, at a fair price. Our purpose is to help more people to feel *inspired* by their environment, from hospitality to office spaces and homes to hotels, using photography to help *create and share ideas* for every interior. We work closely with our mills around the world to develop fabrics to the *highest possible quality and ethical standards*, whilst consciously *minimising our impact on the environment*. Our friendly and professional team are at the heart of everything we do, working tirelessly to provide *a service that you can trust*.

Bespoke Designs

We offer a custom design service; whether it is a re-colour of an existing design, a completely new design or one of your own designs that you would like us to convert into a printed or woven fabric, we have our own experienced in-house design team that can deal with your request.

Any of our existing printed, woven or plain designs can be re-coloured to suit your customer's needs.

For information on minimum order quantities and indicative pricing, please contact your Sales Manager.

Plain Upholstery

ABBOTT TEXTURED PLAIN

Flame Retardant To Crib 5 | Upholstery | Up to 45,000 Rubs Martindale Abrasion | Stain Resistant

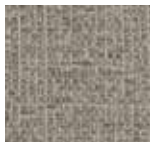

Abbott Linen

Abbott Canvas

Abbott Almond

Abbott Mist

Exotic Garden

Printed Pattern

Step-by-step printed fabric guide...

All of our designs are printed to your tailored requirements within 10 working days. Follow the step-by-step guide below to order your bespoke fabric.

1 Browse through our collections of printed, patterned and plain designs using the ILIV brochure, binders or website.

2 Choose a design that fits your brief. If you can't find what you're looking for, contact your Sales Manager to discuss our Bespoke Printing Service.

3 Select the appropriate inherently flame retardant base cloth quality for the end use, for example Q1850 Textured Waterproof Upholstery for seating or Q8715 Textured 3 Pass Blackout curtaining.

4 Receive finished fabric.

Qualities & Properties...

Curtaining Print Qualities

Q4130 A plain panama quality.

Q1930 A soft drape satin weave quality, which is also available as a double-sided print.

Q2000 A deluxe dimout satin quality. This base cloth is also available as a double-sided print.

Q8715 A textured 3 pass blackout quality.

Q4160 A luxury soft touch panama quality.

Upholstery Print Qualities

Q1898 A twill finished waterproof upholstery base cloth.

Q1850 A textured waterproof upholstery base cloth.

Q4159 A versatile panama base cloth which can be used for loose cover upholstery and curtaining and it is also available as a double-sided print.

Q2099 An elegant soft touch suede effect waterproof upholstery base cloth.

Bedding Print Qualities

Q1715 A plain weave versatile bedding base cloth.

Q3015 A plain weave bedding base cloth with a "Feelsafe" antibacterial coating.

Feelsafe *antimicrobial technology*

Important Notice;
Pattern repeats are given as a guide only and may vary slightly from batch to batch and they are dependent on fabric quality. The printed design repeats are based on quality reference Q1930 - Please add 1% to the figures for quality reference Q2000. Please allow for +/- 2% tolerance when calculating based on these pattern repeats.
