renrayhealthcare.com

welcome to Renray

Renray Healthcare has been producing high quality healthcare furniture for over 50 years and built a reputable brand as one of the UK's largest and leading suppliers to the healthcare sector.

We manufacture and assemble all our healthcare furniture in our own purpose built factory in Winsford, Cheshire, as well as in Europe to British Standards. Our products are stylish and comfortable, designed with both you and your resident in mind.

Good design is at the heart of what we do, from chairs in a range of upholstery fabrics, tables in a range of finishes and accessible beds and mattresses. When it comes to soft furnishings, nobody does it quite like Renray. It's what we do day after day and it's this complete end to end solution that sets us apart.

Our Ranges

One of the many things we've learnt from listening to the needs and requirements of our customers over the last 50 years is that one size does not fit all when it comes to furnishing their facilities.

In this brochure, you'll discover inspirational interiors in a range of styles. Ranges can be complemented with a choice of soft furnishings that transform rooms into comfortable, homely spaces. We have quite literally thousands of combinations of colours, fabrics and styles available, and our skilled designers can work closely with you to ensure that you get the look and feel that you want. We hope this brochure offers inspiration, but our interior specialists are also on hand to make recommendations if you're still unsure about what will work in your space.

For now, browse our sophisticated ranges and get in touch with a member of our team if we can help with your next project – we'll be happy to help.

Aspen Lounge

There's a sleek, modern feel to our Aspen collection, and its design quality is only surpassed by its functionality. Easily accessible, hard-wearing and sturdy, the collection feels as luxurious as it looks. T-bar handles adorn the two door, four drawer sideboard, and an open display unit offers ample storage space. The Blandford two-seater sofa and Broxton low back chair come in a range of upholstery fabrics, and all display furniture comes in a range of wood finishes.

Glendale Lounge

With a Chesterfield sofa option, and a footstool and chair boasting fine, Queen Anne legs, the Glendale range is an ideal choice for those with discerning tastes. There's a choice of low or high-back chairs to suit all preferences, and the coffee and side tables are oval, with no sharp edges. As with all of our soft furnishings, the upholstery can be tailored to suit your décor, and there's a table lamp option for an extra touch. Straight lines and panelled door fronts offer a neat, crisp feel, while the smooth, curved, brushed steel handles give it a softer edge.
