RICOCHET

RICOCHET WOBBLE STOOL

An active sit for engaged learning

Ricochet stools support student movement, which is essential for cognitive development. Featuring a rounded base for an active sit, Ricochet stools offer freedom to fidget, which can help keep bodies and minds engaged. With its small scale and light weight, Ricochet is easy for students and teachers alike to carry and reposition as needed. When flipped, the gently concaved top with waterfall edge nests with the convex base to stack up to 3-high. Ricochet comes in four heights from 300mm to 450mm. The colour options offer playful appeal, while all-poly construction and a nonslip base design ensure durability and stability for years to come.

Indoor Advantage™ Gold - Furniture
This product is certified to Indoor Advantage™ Gold - Furniture, making it suitable for many building rating systems, including LEED v4, BREEAM, & WELL Building.

Watch video on YouTube: https://youtu.be/LM4W6KWiz3M

Stacks up to 3 high (upside down)

Avaliable in 5 standard colours & 4 heights from 300-450mm

Convex base offers 12° of rebounding motion

PRODUCT FEATURES

Base weighted with steel for added stability

Slightly concave seat pad with textured surface for added comfort

Waterfall seat edge

Compact, lightweight & easy to move with integrated handle under seat lip

Thermoplastic rubber base is non-slip and suitable for carpet and hard floors

PRODUCT SPECIFICATIONS

Polypropylene colours

Ash Grey | Aqua Blue | Parrot Green | Sugar Plum* | Tangerine Fizz

All seating surface pad, base and spacer rings are in KI's standard Iron Grey/Blue Grey (as shown above), available on other KI seating products. The underside is a textured, non-slip thermoplastic rubber padding, always in black.

**Sugar Plum is colour-matched to Mardi Gras polypropylene available on other KI seating products.*

OTHER INFORMATION

Care & Maintenance Instructions

Proper care and careful use are the best methods of maintaining the appearance and finish of any product.

Polypropylene
For normal cleaning of poly shells, use a soft cloth with mild soap or detergent and lukewarm water. Do not use solvents, citrus/orange-based cleaners, or heavy-duty kitchen cleaners. Remove chewing gum and similar stubborn spots with cigarette lighter fluid. Wipe dry immediately. A general, non-abrasive all-purpose cleaner is ideal for light cleaning and to restore lustre to smooth surfaces. Its anti-static properties help repel dust and dirt. High-quality wax restores lustre and protects the finish.

KI (UK) Ltd Rights & Warranties

15 year warranty.
