Many of our talented craftsmen have been with us for 20 years or more, hence the continuity of the skills which transcend our seamstresses, polishers, fabric cutters, and upholsterers. Our quality control department works to rigorous standards and our quality control team and delivery drivers ensure that the products we manufacture arrive with our customers in pristine condition.

Every piece of furniture, be it a sofa, arm chair or sideboard, is made using only the highest quality materials.

From the sustainable timbers used in our frames, to the quality and variety of our foams and fillings – we are focused on providing luxurious furniture tailored in premium healthcare fabrics supplied by our strategic partners.

We distribute nationally using our own liveried fleet driven by Shackletons personnel, some of whom have been with the company for over 40 years.

OUR 5 YEAR GUARANTEE

Shackletons is committed to making your relationship with us as straightforward and simple as possible.

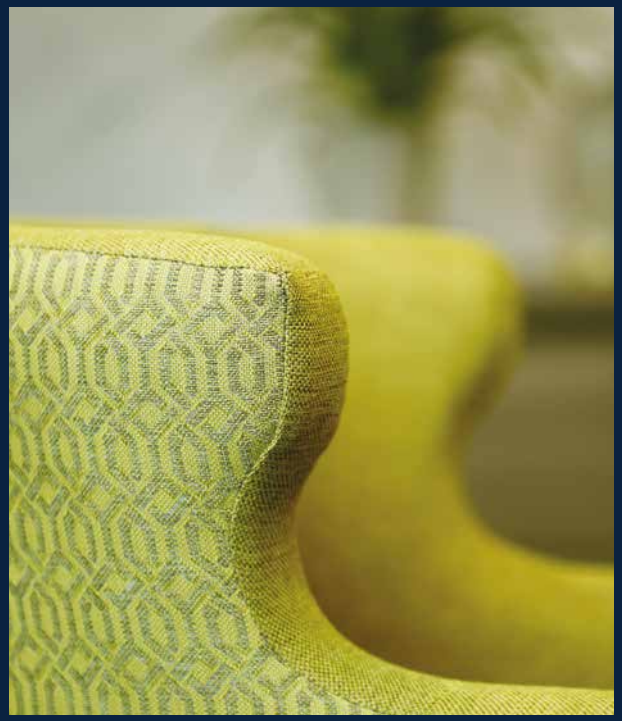

For peace of mind, our furniture is covered by a five year comprehensive guarantee.
