WELCOME

We love what we do and strive to go above and beyond expectations.
We do things differently, and we are extremely proud of that... All of our seats are handmade by our team in the UK and each product is tailored to meet your projects needs! We're committed to making comfortable, elegant and expertly engineered seating that will complement and enhance your space. We relate to our clients as partners, and work in close collaboration with each one to understand their unique needs.

About

THE BRAND

Race Furniture are the leaders in bespoke seating solutions. With over 75 years of experience we are the trusted provider for theatres, auditoriums, educational spaces, and public venues around the world.

Whatever your vision, Race can turn it into a reality. Ergonomics, space planning, acoustic analysis, engineering and testing are all part of our comprehensive service.

Our 100% on time handover record, means we are trusted to ALWAYS complete the project to schedule.

Every Race Furniture project, from the smallest space to the largest concert hall, is driven by our dedication to the highest standards of craftsmanship, product durability, innovation and design excellence.

Customer TESTIMONIALS

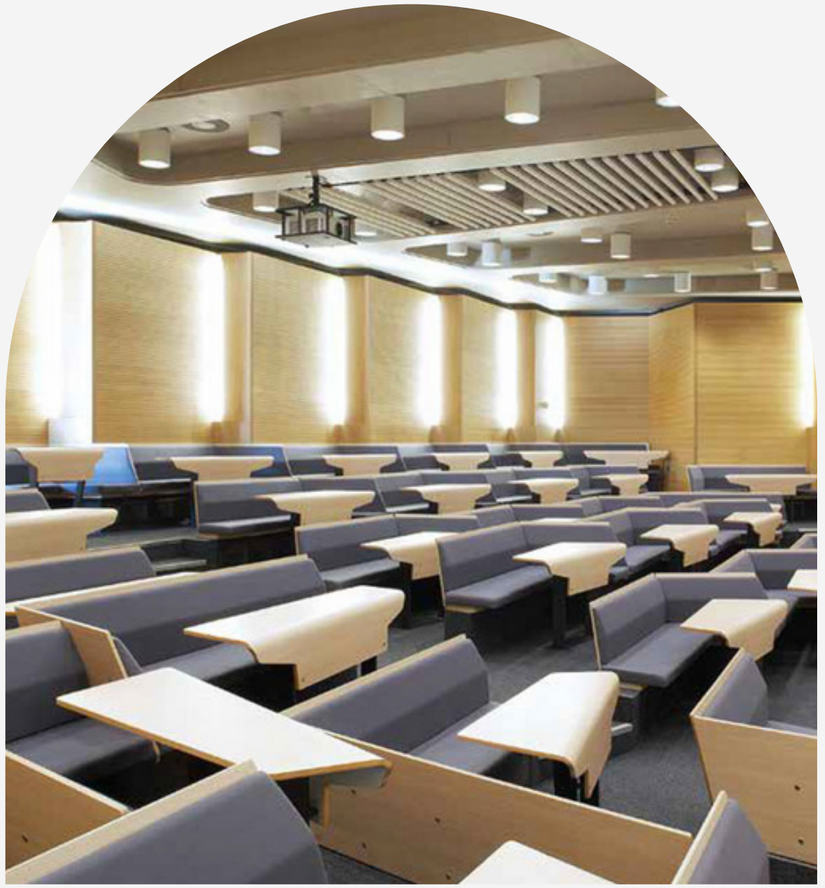

Working with Race has been phenomenal...

The knowledgeable team were able to tackle any issues we had that came up in a timely manner and assisted us on getting the project done within our constrained timeframe.

Their customer service has been great and the quality and design of theatre seats we have received were exceptional."
