ADVANCED MATERIALS

Perfect Choice

Ambla coated fabric is highly durable and resistant to wear, tear and staining, making it an ideal choice for the demanding medical environment. The fabric's ability to withstand the rigours of the medical setting makes it a practical and reliable choice for healthcare facilities.

Our Product

Ambla is manufactured to the highest quality standards, Crib 5 flame retardancy and Martindale abrasion in excess of 1, 000,000.

Aesthetics

Ambla offers a comfortable seating experience and is available in a wide range of colour options, allowing medical spaces to maintain a professional and welcoming atmosphere.

Why Ambla?

- Tailored for healthcare applications
- Antimicrobial properties
- Durability
- Easy maintenance
- Over 80 styles.
- Bespoke designs & colours available upon request
- Designed & Manufactured in the UK
