Ambla Imvelo Advantages

- **DURABILITY**

  Imvelo vinyl material is made from premium quality, eco-friendly and recycled ingredients offering exceptional durability and longevity. With outstanding performance properties Ambla Imvelo is the perfect combination of sustainability and technical innovation.

- **EASY MAINTENANCE**

  Imvelo vinyl is designed with easy maintenance in mind. Water and stain resistance technology ensures a trouble free, easy care solution to hygienically protect and preserve interiors for longer.

- **REDUCED ENVIRONMENTAL IMPACT**

  Imvelo vinyl is an environmentally conscious alternative. By utilising sustainable raw materials and manufacturing using sympathetically designed processes. Imvelo consumes less energy, reduces waste and minimises the reliance on natural resources.

Ambla Fabrics/Uniroyal Global is a trusted supplier to: Land Rover & Jaguar, Ford, McLaren, Nissan, Stellantis, Lotus, JCB, Caterpillar, John Deere and CNH.
